

RHYTHM SHEET 6/4 TIME

The first staff contains four dotted half notes, one in each of the four measures. The second staff contains twelve quarter notes, six in each of the two measures. The third staff contains four groups of eighth notes, each group consisting of six notes in one measure. The fourth staff contains four groups of sixteenth notes, each group consisting of twelve notes in one measure.

Draw the rhythms of tricky bars here. Make sure that you line them up underneath the printed rhythms.
Try clapping all bars against the metronome.

Eight empty musical staves, each with a double bar line at the beginning and a single bar line at the end, providing space for the student to draw their own rhythms.
